Programme note;

In 2005 the president of Portugal Jorge Sampaio gave the honorific title and the medal of "Comendador" to the businessman Fernando Pinho Teixeira. To commemorate that occasion, the Portuguese band "Banda de Música de Carregosa", who have the Commendator as its patron, commissioned this march, premiered in April 2006.

After a light but marziale introduction we have the first section of the march, also with a marziale personality. A brief bridge lead us to the re-exposition of this first section, now with a fullest texture. After this re-exposition, we have again the introduction, in this time lead us to a new theme, more legato and melodious. A final bridge in the trombones and low woodwinds, we are conducted until the final presentation of this second melody, now with a grandiose and majestic instrumentation
