Performance note "THE HAPPY CYCLIST"

The solo can be played on one bicycle-bell at any pitch. To obtain a more varied result, different bells with different pitches can be used. In order to develop a good "technique" it is recommended to attach the bicycle-bell(s) on a handle.

Preferably the solist takes place in front of the band using a microphone.

In case of sufficient space, an extra show dimension can be added in letting the solist cycle around the band.

Toelichting

De solo kan worden uitgevoerd door een fietsbel in elke stemming.

Het is aan te bevelen de fietsbel op een handvat vast te zetten dat maakt een goede "techniek" mogelijk.

De solist dient bij voorkeur voor het orkest te staan en voor een microfoon te spelen. Wanneer er voldoende plaats is kan men de solist zelf op een fiets rond het orkest laten rijden.

Performance note "GIVE US PEACE"

The best place for solist 1 is on a high platform at the back or aside the band. Solist 2 is the "echo-player" and must be placed at a good distance, facing the front of the band.

Toelichting

De beste plaats voor de solist nr. 1 is op een hoog podium achter of naast het orkest.

Solist nr. 2 is de echo en moet op afstand plaatsnemen, terwijl hij naar de voorzijde van het orkest toespeelt.
