FRÜHLINGSRAUSCHEN - Christian Sinding/arr. Willy Hautvast

N Van de Noorse pianist en componist Christian Sinding (1856-1941) werd "Frühlingsrauschen" uit Zes Pianostukken op.32 enerzijds als virtuoos pianowerk en anderzijds in allerlei bewerkingen erg beroemd. Daarentegen raakten zijn opera's, symfonieën, concerten en kamermusiek helemaal in de vergetelheid. Samen met Edvard Grieg en Johan Svendsen behoort Sinding tot de generatie Laat-Romantische Noorse componisten. Zijn "Frühlingsrauschen" dat de indruk van een ontluikende lente moet wekken kan men bestempelen als salonmuziek van de betere soort.

FRÜHLINGSRAUSCHEN - Christian Sinding/arr. Willy Hautvast

Cet extrait de "Six Morceaux pour Piano" op.32, est le seul morceau du pianiste et compositeur norvégien Christian Sinding (1856-1941) ayant gardé une popularité, tant comme morceau pour piano que dans de nombreux arrangements de tous genres. Ses opéras, symphonies, concertos et sa musique de chambre, au contraire, sont tombés dans l'oubli. Avec Edvard Grieg et Johan Svendsen, Sinding appartient à la génération des compositeurs norvégiens de la fin de l'ère romantique. Son oeuvre "Frühlingsrauschen" (Gazouillement du Printemps) suggère le printemps naissant et appartient à ce qui convient d'appeler la bonne musique de salon.

FRÜHLINGSRAUSCHEN - Christian Sinding/arr. Willy Hautvast

D Dieses Werk ist die einzige Komposition Christian Sinding (1856-1941) die heutzutage noch bekannt ist, da seine Opern, Symphonien, Konzerte und Kammermusik in Vergessenheit geraten sind. Das virtuose Klavierstück "Frühlingsrauschen" Opus 32 Nummer 3 ist auch manchmal arrangiert (oder derangiert) worden. Mit Edvard Grieg und Johan Svendsen gehört der Komponist und Pianist Christian Sinding zu den Spätromantischen norwegischen Komponisten. "Frühlingsrauschen" ist ein Stück das als bessere Salonmusik bezeichnet werden kann; es soll den aufblühenden Frühling darstellen.

FRÜHLINGSRAUSCHEN - Christian Sinding/arr. Willy Hautvast

E This excerpt from "Six Piano Pieces" opus 32, is the only work of the Norwegian composer and pianist Christian Sinding (1856-1941) that remained popular, as well as a piano piece as in several arrangements of all kind. His operas, symphonies, concertos and chamber music, on the other hand, have all sank into oblivion. Sinding belongs with Edvard Grieg and Johan Svendsen to the generation of the late romantic Norwegian composers. His piece "Frühlingsrauschen" (Rustle of Spring) suggests the birth of Spring and belongs to the better kind of the so-called "salon music".
