Swanee River's Other Side

N

"Swanee River's Other Side" is een verrassende bewerking van de bekende traditional "Swanee River". In deze in fugavorm gearrangeerde bewerking, gekleurd met een vleugje klassiek, zijn swing- en funkyfiguren verweven. Het geheel wordt harmonisch schitterend ondersteund door hedendaagse (jazzy) akkoorden. Een volledig uitgeschreven en frappante trombonesolo, voorzien van akkoordsymbolen, zorgt voor een extra swingende bijdrage en is zeker een stimulerende uitdaging voor de getalenteerde trombonist of (mits enkele aanpassingen) voor een ander instrumentalist.

E

"Swanee River's Other Side" is a rather surprising arrangement of the well-known traditional "Swanee River". In this arrangement in fugue form, flavoured with some classical music hints, several swing and funky items have been added. The music is harmonically supported by contemporary jazzy chords. A completely written out solo for trombone supplied with chord symbols, provides an extra swinging item and is certainly a stimulating challenge for any talented trombone player (or any other instrumentalist, providing some adaptations).

D

"Swanee" ist eine außergewöhnliche Bearbeitung des bekannten Evergreens "Swanee River". In dieser, in Fugenform arrangierter Fassung, mit leichter Anlehnung an klassische Musik, sind verschiedene Swing- und Funkfiguren verweben. Das Ganze wird harmonisch meisterhaft von heutigen (jazz) Akkorden unterstützt. Ein komplett ausgeschriebenes Solo für Posaune bringt einen swingenden Beitrag und ist eine reizvolle Herausforderung für jeden talentierten Posaunisten, oder (mittels einiger Anpassungen) ein anderes Instrument.

F

"Swanee River's Other Side" est un arrangement surprenant du grand classique "Swanee River". Cet arrangement en forme de fugue comprend des figures de swing et de funk tout en incorporant quelques touches de musique classique. Le tout est magistralement soutenu par des accords jazzy très contemporains. Un beau solo de trombone, complètement écrit, avec notes supplémentaires, ajoute une note supplémentaire au caractère de swing et est un défi stimulant pour tout tromboniste ou autre instrumentiste de talent.
