

SIMPLY HYMNS

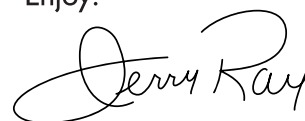

10 Hymn Arrangements
for the Early Intermediate Pianist

JERRY RAY

I love playing hymns. There's such a variety of moods and emotions to be discovered in each title. And since the melody and original harmonic structure tend to be of a simpler nature, there is much more room to express the deepest musical feelings of the performer.

The freedom to experience the tenderness and sweetness that a lovely melody can produce is what *Simply Hymns* is all about. We have chosen 10 well-known hymn titles, and I've arranged them with a fresh contemporary approach with as few notes as possible. There's plenty of room to add your own musical soul to these unique arrangements and to make the most beautiful music this side of heaven.

Enjoy!
