

# WE WISH YOU A MERRY CHRISTMAS

A Book of 17 English and Other Traditional Carols

Arranged by Anna White Hayward

## FOREWORD

Having just moved from America to England with my husband, Anthony, I am especially able to enjoy the many English Christmas carols heard at Christmas time. Some have familiar names but different melodies, and others are special to England and Australia. This book contains many traditional carols as well as various English Christmas carols.

*We Wish You a Merry Christmas* was written for the late-elementary student. These carols have been page-coordinated with Alfred's Basic Piano Library, Level 2.

This book is dedicated to Willard Palmer, whose encouragement, guidance and friendship have been a great inspiration and comfort to me. Also, thank you to Liz Wilson and her daughter, Rachel, who played these carols and gave very good suggestions. I hope you enjoy playing this lovely music as much as I have enjoyed arranging it.
