## DRAMATIC ESSAY

*Dramatic Essay* is a study in contrasts. The opening slow section provides excellent practice in intonation through the use of suspensions, first at a loud dynamic, and then quietly. The following Allegro utilizes spiccato bowing and syncopation to create contemporary driving rhythms. A return to the opening Andante is followed by the exciting Allegro conclusions.

From the String Editor...

This arrangement/composition is designed to give a variety of performance and teaching options to groups of widely differing ability levels and instrumentation. Toward that end, alternate fingerings, bowings and/or parts have been provided where appropriate.

- All bowings and fingerings are in the score and parts.
- Each measure is numbered in the score and parts for easy reference in rehearsal.
- Standard fingerings are above the staff and alternate fingerings are below in parentheses. Alternate fingerings are usually for more advanced players.
- KEY TO SYMBOLS: (Depending on the composition, some symbols may not be applicable)

x	= go into extended hand position
-	= shift
1-4	= standard fingerings (used as reminders or position indicators)
(1-4)	= alternate fingerings (usually more advanced)
—/—	= sometimes used instead of dots under the slur
(—)/(/)	= alternate bowings, staggered bow changes or retakes
,	= lift/retake
↑/↓	= high/low finger placement
WB	= use a whole bow
LH	= play in the lower half of the bow
M	= play in the middle of the bow
UH	= play in the upper half of the bow
Fr	= start at the frog
Tip	= start at the tip

I hope these features will simplify and clarify the teaching/rehearsal process. Your suggestions are welcome.
