

Fantasy on "Yankee Doodle"

By Mark Williams

Fantasy on "Yankee Doodle" is a free treatment of one of America's most famous early songs. It was commissioned by, and premiered at, the Bethlehem Central School District Band Festival in Delmar, NY, on March 16, 1995, with the composer conducting.

The work begins with a vigorous fanfare leading into a humorous statement of the theme by solo tuba. This light, quirky treatment of the theme is followed by a dark, moody variant at measure 25, featuring solo alto saxophone. Special care should be given to the dovetailed eighth notes at measure 33, creating a smooth line without discernible breaks. A spirited *Allegro* then transforms the mood to one of joyous expectation, with the occasional sections in 7/8 injecting an element of surprise. Students should be constantly aware of eighth-note subdivision in performing the 7/8 measures.

After a lyric episode at measure 93 using fragments of the tune, a Latin percussion vamp eventually leads to a full statement of the theme in half notes, played first in quadruple time and then double time. The final *Maestoso* fanfare leads this work to a satisfying and exciting close. (Timpanists are not allowed to be timid on this one!)

This piece may also be performed with a beginning band, which can join in playing along with the "Yankee Doodle" 4-part harmony beginning at measure 136. If you are interested in this performance option, please contact the publisher for details.

The musical score consists of ten systems of music, each with multiple staves. The instruments listed on the left are Picc., Fls., Ob., Bsn., Cl., A. Cl., B. Cl., A. Saxes., T. Sax., Bar. Sax., Hns., Tpts., Trbs., Bar., Tuba, Mlts., Perc. 1, Perc. 2, and Timp. The first system (measures 1-4) shows mostly rests. From measure 5 onwards, instruments begin to play. For example, in measure 5, the Clarinets (Cl.) play eighth-note patterns, and the Bassoon (Bsn.) plays quarter notes. Measures 6-8 show more complex patterns, including sixteenth-note figures and sustained notes. Measures 9-12 return to simpler patterns. Measures 13-16 show a continuation of the patterns from earlier measures. Measures 17-20 show a final set of patterns before the section ends. Measure numbers 93 and 94 are indicated at the beginning of the section.
