## A PERPETUAL MOTION CHRISTMAS

The title of this piece refers both to the often hectic activity of the holiday season, and to the “perpetual motion” rhythms (played in eighth notes) that appear throughout the arrangement. Familiar carols are presented, accompanied by the “perpetual motion” bowings so well known in the Suzuki curriculum and elsewhere. Every section of the orchestra has many opportunities to practice these patterns and develop their bowing. A delightful change of pace for your holiday program.
