FANTASY ON GREENSLEEVES

This clever, very easy treatment of one of the world's most beloved folk songs uses only a one-octave D major scale (plus open strings) within a simplified rhythmic structure of quarter, half and dotted half notes in $\frac{3}{4}$ time. It is an excellent first concert piece and highly appropriate for either holiday or general concert programs.

Please note: Our band and orchestra music is now being collated by an automatic high-speed system. The enclosed parts are now sorted by page count, rather than score order.
