JINGLE BELLS HOEDOWN

“Jingle Bells” is certainly one of the best-known secular Christmas songs ever written. Both easy to sing and fun to play, the never-fading popularity of the tune presents evidence that there is beauty in simplicity. It has much in common with American folk music, lending itself well to a hoedown fiddle-style treatment. *Jingle Bells Hoedown* should be performed with intense energy and a marked pesante feel—the faster the better!
