CHRIST HATH A GARDEN has long been one of the most distinguished titles in the H.W. Gray catalog. This beautiful setting of the English folksong, *Waly, Waly*, boasts a simple yet transcendent organ accompaniment. Opening and closing unison vocal verses frame the rich harmonies of the introspective third verse, which implores our Savior to come. It is appropriate for worship throughout the year, especially Advent, Communion and Lent. A suggested corresponding scripture reading is Song of Solomon 4: 16.

Gerald Near is widely considered to be one of the finest composers of church music today. He has studied composition with Leslie Bassett and Dominick Argento, organ with Robert Glasgow, and conducting with Elizabeth Green and Thomas Lancaster. In 1982, Near was one of the first recipients of a McKnight Foundation Fellowship. Currently he is Director of Aureole Editions and lives in New Mexico.
