

DEVIL DANCE

by
John Kinyon

DEVIL DANCE is, for the most part, based on the style of the *saltarello*, an ancient Italian dance. In keeping with tradition, the music is in compound 6/8 time and lively in character. Although the sparkle and drive of the number give the effect of technical difficulty, the playing demands are quite modest and well suited for junior high as well as senior high performance. In addition, all exposed parts are cross-cued, making the work ideal for less-than-perfect instrumentations.
