PROGRAM NOTES

The epic Clint Eastwood film, *Flags of Our Fathers*, which is based on James Bradley's and Ron Powers' acclaimed book, follows the lives of the six heroic soldiers who raised the American flag on Mt. Suribachi at the Battle of Iwo Jima. AP photographer Joe Rosenthal's instantly recognizable photo of the event in February of 1945 is undeniably one of the most powerful graphic images of the 20th Century, so powerful at the time it was taken that it dramatically changed the outcome of WWII.

Clint Eastwood directed, co-produced and wrote the original movie score with the help of arranger and orchestrator, Lennie Niehaus. The touching ballad PLATOON SWIMS, that is heard several times throughout the film, is scored here for band in a graceful uncomplicated setting that captures the essence of its emotional appeal.

Please note: Our band and orchestra music is now being collated by an automatic high-speed system. The enclosed parts are now sorted by page count, rather than score order. We hope this will not present any difficulty for you in distributing the parts. Thank you for your understanding.
