

2 Level 1: Sound Review

Please view the DVD for helpful information about practice and performance skills, refer to the glossary for any terms you may not remember from Book 1, and listen to track 1 on the CD for your tuning note.

2 A NEW BEGINNING—Play these notes you already know. Refer to the fingering chart if you need help. Name the key. Point to the following:

- treble clef
- a measure
- repeat sign
- a bar line
- a whole note
- fermata
- a breath mark
- time signature
- final bar line
- a half note

3 FAMILIAR PLACES—Place the corresponding letter in the space nearest the appropriate note or symbol:

- A. whole note
- B. half note
- C. quarter note
- D. tie
- E. whole rest
- F. half rest
- G. quarter rest
- H. tempo marking

Moderato _____

4 LIGHTLY ROW—What is the time signature? How many beats are in each measure? What kind of note gets one beat (count)? Name the key.

Allegro _____ Traditional

5 STARLIGHT DUET—What is a duet? Can you name the piece on which this duet is based? Choose to play either the top line or the bottom line, then switch parts on the repeat. Adapted by W. A. Mozart (1756–1791)

Level 2: Sound Fundamentals

CUT TIME is a meter in which there are two beats per measure and the half note receives one beat. Cut time is also called **ALLA BREVE**.

$\text{C} = \frac{2}{2}$ = Two beats (counts) per measure.
 $\text{C} = \frac{2}{2}$ = A half note receives one beat (count).

51 MAKING THE CUT—Clap and count before you play.

Andante

D.C. AL CODA means to repeat from the beginning (*da capo* or “head”) and then play the *coda* (the “tail”) where indicated.

158 THE IRISH JAUNTING CAR—Trace the “roadmap” of the piece before you play.

Moderato Irish Folk Song

The score consists of three staves. The first staff starts with a treble clef, a key signature of one flat, and a 4/4 time signature. It begins with a *mf* dynamic and a *Moderato* tempo. The melody features several grace notes (smaller notes with a slash through the stem) and a crescendo leading to a *f* dynamic. A circled cross symbol (Coda symbol) is placed above the staff. The second staff continues the melody with a *p* dynamic and ends with a circled cross symbol. A red arrow points to the end of the second staff with the text "D.C. al Coda". The third staff is labeled "Coda" and features a series of notes with accents and a *f* dynamic.

GRACE NOTES are a type of musical ornamentation. They are placed prior to and are slurred to the note they enhance, and appear smaller in size. Grace notes usually are single notes, either with or without a slash through the stem and flag, but can also include two or more notes. Rhythmically they are placed immediately prior to the beat, but in music of the Baroque and Early Classical periods they are sometimes played on the beat.

159 GOODNESS, GRACE NOTES!—Try out your grace notes. Make sure they feel relaxed and not forced.

Andante

The score is a single staff in treble clef, one flat key signature, and 4/4 time. It starts with a *mf* dynamic and an *Andante* tempo. The melody includes several grace notes marked with red triangles above them.

160 TRAVELIN' TO ARKANSAS—A hoedown is an American folk dance. Play the grace notes lightly and just before the beat of the note they precede.

Moderate hoedown tempo

The score consists of three staves in treble clef, one flat key signature, and 4/4 time. It starts with a *mf* dynamic and a "Moderate hoedown tempo". The first staff has a circled cross symbol. The second staff ends with a circled cross symbol and the text "D.C. al Coda". The third staff is labeled "Coda" and features a series of notes with accents and a *f* dynamic.

161 GRACEFUL GRACE NOTES—Here are more grace notes to practice. Make sure they have a natural and relaxed feel to them and never sound rushed.

Moderate waltz tempo

The score is a single staff in treble clef, one flat key signature, and 3/4 time. It starts with a *mp* dynamic and a "Moderate waltz tempo". The melody includes several grace notes. The piece ends with a first ending (marked "1.") and a second ending (marked "2.") leading to a *f* dynamic.
