## NOTES TO THE CONDUCTOR

*Riders on the Storm* was one of the biggest hits from the legendary rock group, The Doors, and was only performed live on two occasions. There are parts written for six percussionists. If your percussion section is larger than six, you can add additional players on the tom-tom part playing on toms, bongos, congas, or any other drums.

The tuba part in measures 13, 14, 31, and 32 is written in octaves. Instruct each of your tuba players to play whichever notes are easier or more comfortable to perform while the lower notes may potentially provide a more authentic bass-like texture.

I hope you and your ensemble find *Riders on the Storm* to be a fun and worthwhile experience!
