PROGRAM NOTES

This arrangement of music from composer Alexandre Desplat's spectacular score to the blockbuster film *Godzilla* is designed for students in their second and third year of band and contains four memorable themes from the soundtrack. There are parts written for six percussionists; however, if you have additional players, you may double the snare drum part on as many toms or other drums as you wish. The marimba part may be played on a xylophone if needed. Also, the timpani part is written for four drums. If four timpani are not available, or if your timpanist is not comfortable playing four drums, you may eliminate the part on the 23" drum (E \sharp) altogether.

The timpani roll starting in measure 77 should be fairly subdued and barely heard under the woodwinds. The crescendo in measure 85 should be as dramatic as possible without overblowing.

I hope you and ensemble find *Selections from Godzilla* to be a fun and exciting musical experience!
