NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.

Bob Rhulius
Belwin/Pop String Editor

PROGRAM NOTES

The Doors were an American rock band formed in 1965 in Los Angeles, California. The members were vocalist Jim Morrison, keyboardist Ray Manzarek, drummer John Densmore, and guitarist Robby Krieger. The band took its name from Aldous Huxley's book, *The Doors of Perception*, which was a reference to a William Blake quote from his famous work, *The Marriage of Heaven and Hell*: "If the doors of perception were cleansed everything would appear to man as it is, infinite."

They were among the most controversial, influential, and distinctive rock acts of the 1960s, mostly because of Morrison's wild, poetic lyrics, and charismatic but unpredictable stage persona. After Jim Morrison's death in Paris in 1971, the remaining members continued as a trio until finally disbanding in 1973.

NOTES TO THE CONDUCTOR

The opening arrangement of "Light My Fire" should be approached in a straight-ahead rock style. Special attention should be given to the articulations in the accompanying voices, as well as the rhythms in the bass line and drumset part, to achieve a proper feel of the music. At measure 49, "People Are Strange" should be approached in an easy shuffle or swing style. Again, please note the articulations in the accompanying voices. "Hello, I Love You," at measure 86, should be back to a steady rock feel with straight eighth notes. Again, attention should be given to the rhythms in the bass line and drumset part to achieve a proper feel of the music.

My intent is that drumset will be used in the rehearsal and performance of this arrangement. If a suitable instrument is not available, feel free to use separate instruments; snare drum, bass drum, ride cymbals, and two toms.

As always, feel free to adjust tempo and dynamics to suit your ensemble and performance venue.

Best wishes for an entertaining performance!

Patrick Roszell

Detailed description: The musical score is a page from a larger work, likely a symphony or concert overture. It consists of multiple staves, each representing a different instrument or group of instruments. The instruments listed on the left are Flutes (Fls.), Oboes (Ob.), Clarinets (Cls.), Bassoon (Bsn.), Horns (Hns.), Trombones (Tpts.), Tuba, Mallet Percussion (Mlt. Perc.), Timpani (Timp.), and two Percussionists (Perc. I, Perc. II). The string section is represented by Violins (Vlns.), Violas (Vla.), Cello, and Double Bass (Str. Bass). The score is numbered 75 at the top right. The music is divided into measures 71 through 76. Measure 75 is the most prominent, featuring six staves of woodwind and brass parts, followed by three staves of brass parts, and finally three staves of percussion parts. The strings begin in measure 76. Various dynamics are indicated throughout, such as 'p' (piano), 'mf' (mezzo-forte), and 'Fill on rim' for the timpani. A large red watermark reading 'Legal Use Requires Purchase Only' is diagonally across the page.
