PROGRAM NOTES

Next to "Jingle Bells," "Let It Snow!" has emerged as one of the most popular secular Christmas songs. This treatment featuring a Dixieland band will set your feet a-tappin' and your hands a-clappin'. Get into the Christmas mood with a swinging rendition of this great holiday tune.

NOTES TO THE CONDUCTOR

The ideal way to stage "Let It Snow!" is to have the Dixieland band members stand stage front. Please remind the young band members that this figure (♪♪) is played in the style of a triplet (♪³♪). However, at number 37 (stop time), the eighth notes are played evenly.

A drum set is optional but is preferred if an adequate percussionist is available.

James D. Ployhar

Please note: Our band and orchestra music is now being collated by an automatic high-speed system. The enclosed parts are now sorted by page count, rather than score order. We hope this will not present any difficulty for you in distributing the parts. Thank you for your understanding.
