Program Notes

Somewhere, far off in the distance, a ship has failed to return in a timely fashion and is presumed to be lost at sea. Loved ones have gathered on the docks knowing that their husbands and sons might not ever return. As their eyes gaze toward the horizon, and with the sun rapidly setting, Captain John Anderson, who is standing amongst the people, begins to formulate a plan of rescue in his mind. By early dawn he and his crew will set sail in hopes of finding the missing ship. After listening to the music, we invite you, the members of the audience, to decide on the success or failure of this courageous life saving mission.
