Rising Band Series

(Grade levels 1 1/2 - 2)

The Rising Band Series is carefully designed and written to serve the performance needs of the developing band program. In addition to providing quality performance literature for your concert program, each title in the series provides an appropriate musical setting for the conductor/teacher to reinforce musical concepts and skills that have been addressed in the first two years of instruction. Written at two grade levels (1 1/2 and 2), the Rising Band Series provides a variety of musical works that employ the note and rhythm sequence used in most band method books. The Rising Band Series is a sound fundamental approach leading to a command of the concert band.

Program Notes

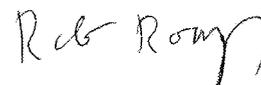

Call of Champions is an authoritative concert opener that simply commands attention. After a dynamic opening fanfare, a memorable melodic theme is then presented amid varied textures and instrument groupings leading to a forceful and stately full ensemble sound.

Rehearsal Suggestions

Call of Champions is a concert opener for young band. It is also very appropriate for assemblies and sporting events, for ensembles of all ability levels with limited rehearsal time. The opening section should be performed to portray power and strength while maintaining a good controlled tone. The observance of dynamics in the section beginning at m. 13 will greatly enhance the musical effect. A countermelody is introduced at m. 35. Rehearsing the melody and countermelody separately and then putting it together will help the students understand each parts' role while also reinforcing the concept of balance.

I hope that you and your musicians enjoy rehearsing and performing **Call of Champions**. Please contact me at my composer page at www.barnhouse.com with any comments or questions.

Best wishes!
